About Us

YOUR HOSTS

Welcome to our ho

After more than 20 years of experience with the Accor Group, with Carine working as a hotel manager and Christophe as a hotel maintenance technician, we decided to bring to life a project that was close to our hearts: creating our own welcoming place, reflecting who we are.

And so L'Oasis des Corbières was born — a place where friendliness, comfort and a change of scenery come together.

We welcome you into a warm and peaceful atmosphere, where each accommodation has its own unique character.

Our three guest rooms, Dune, Rose des Sables and Palmier, invite you to escape and unwind in settings inspired by nature and a sense of adventure.

Our two self-catering cottages offer two very different experiences: Sanglier Magique, an immersive journey into the magical world of Harry Potter, for a truly enchanting escape, and Chêne Pin, a chalet with a natural, Zen-inspired atmosphere, perfect for relaxing and recharging in peaceful surroundings.

As lovers of our region, we would be delighted to introduce you to the treasures of the Corbières: its beautiful landscapes, heritage, villages, restaurants and local specialities.

Whether you are just passing through, enjoying a short getaway or spending your holidays here, we hope you will find exactly what you came for: rest, wonderful discoveries and lovely moments.

Welcome to our little oasis, and above all… make yourselves at home!

Carine & Christophe
